Mozaik | Mosaic

Cam Mozaik ve Bordür uzun yıllar parlaklığından, canlılığından ve estetiğinden hiç bir şey kaybetmez. Tüm doğa şartlarında kullanılmış ve denenmiş dekoratif bir yüzey kaplaması malzemesidir.

Estetik, konforlu, sınırsız fikir ve renk seçeneklerine sahip tasarım odaklı cam mozaikler farklı beğenilere sesleniyor.

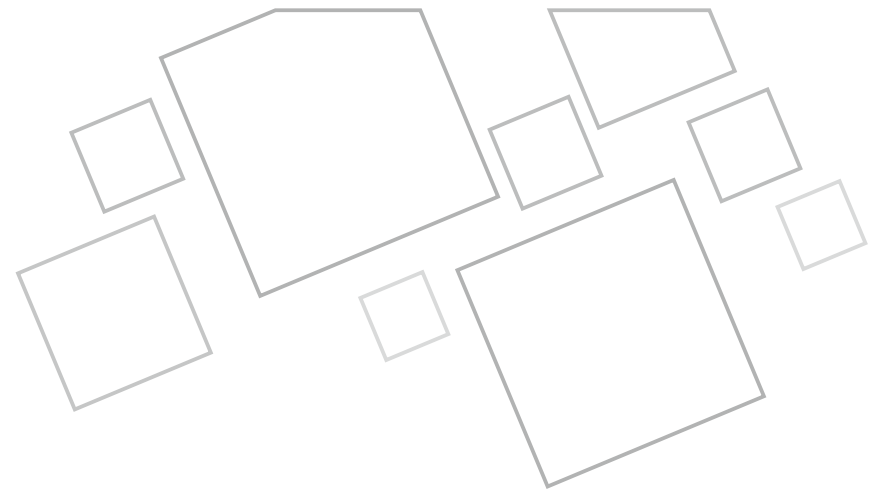

Cam ve estetiğin buluştuğu damarlar, sadece görsel zenginliği ile değil, hissettirdiği canlı ve dinamik yapıyla da insanı etkisi altına alıyor. Sanki suyun gizemli derinliklerindeki mercan resifler gibi bambaşka bir dünyanın kapılarını aralıyor. Renk ve ışık geçişlerindeki uyum ve kıpırtı, her bakışta farklı bir şey anlatıyor.

Aynı rengin tonlarındaki hafif geçişler veya farklı renklerin birlikteliğinden oluşan eşsiz uyum, her noktada etkisini sürdürüyor. Seçeneklerdeki sınırsızlık, tıpkı doğanın cömert sunusunda olduğu gibi, hayranlığı daha da çoğaltıyor...

Mosaic is the art of creating images with an assemblage of small pieces of colored glass, stone, or other materials. It may be a technique of decorative art, an aspect of interior decoration, or of cultural and spiritual significance.

Glass mosaics create a warm atmosphere indoors with its rich color and texture varieties, harmonious with nature. Glass Mosaic floor tiles can both be used in hospitals, airports, subway stations and in every hygiene requiring environment and also provides stylish solutions for indoors requiring wet floor materials such as bathrooms, kitchens and corridors, in terraces, balconies and gardens, especially in pools and swimming pools, spa and Turkish baths.

We offer a variety of innovative fused glass , mosaic glass and glass border products for decoration.
